City Council Citation

On behalf of the residents of the City of Annapolis, we are pleased to confer upon you this City Council Citation in recognition of your work to promote and develop the sport of dragon boating in Annapolis. Over the past 27 years, the Annapolis Dragon Boat Club has promoted the development of healthy bodies and spirits, supported recovery from breast cancer and all other cancers - in both men and women - and facilitated the growth of true friendships and teamwork. Annapolis is a happy, healthy, and more connected community because of your efforts to promote and develop the sport of dragon boating as a way to build strength, endurance, and confidence - all with an emphasis on recreation, fun, and harmony while on the waters of our beautiful Spa Creek. We thank you for your contribution to the life of our community, for enhancing and growing our connection to the water, for your invaluable support for cancer survivors, and for giving us all joy and pleasure every season. We congratulate you on your success and offer our deepest gratitude and appreciation.
